Experience Sharing Seminar for Energy Saving Championship Scheme

Date : 16 November 2017 (Thursday)
Venue : Room HJ 303, The Hong Kong Polytechnic University, Hung Hom, Kowloon
Time : 19:00 - 20:45, Registration will start at 18:30

Programme Highlights

Promoting energy saving is a linchpin of our efforts in combating climate change. The "Energy Saving Plan for Hong Kong's Built Environment 2015~2025+" sets a reduction target of 40% in energy intensity by 2025 using 2005 as the base year. By Energy Saving Championship Scheme (ESCS), EMSD would like to appeal for supports from shopping malls, office buildings, residential buildings/ housing estates, primary and secondary schools, and tertiary education institutions and setting targets to reduce their energy consumption comparable to or even exceeding Government targets, and to promote green building design and management as well.

For details, please refer to the website:-
